

# JOSHUA CARL PELOTEA (JC)

## Frontend Web Developer | Landing Pages & Small Business Websites

Butuan City, Philippines | +63 992 719 0779 | [peloteajoshuacarl0@gmail.com](mailto:peloteajoshuacarl0@gmail.com)  
Portfolio: [portfolio.jcpelotea.workers.dev](https://portfolio.jcpelotea.workers.dev) | GitHub: [github.com/Jpelotea](https://github.com/Jpelotea)

### PROFESSIONAL SUMMARY

Frontend-focused Web Developer with hands-on experience building, deploying, and refining responsive business websites using Astro, HTML, CSS, and JavaScript. Experienced in information architecture, conversion-focused page structure, forms, SEO, analytics, accessibility-conscious interactions, GitHub workflows, and production deployment through Netlify and Cloudflare. Brings strong business-operations, documentation, and QA discipline to end-to-end web delivery.

### TECHNICAL SKILLS

**Frontend:** HTML5, CSS3, JavaScript, Astro, responsive design, mobile-first layouts, Flexbox, CSS Grid

**Web Quality:** Semantic HTML, accessibility fundamentals, keyboard/focus behavior, responsive QA, cross-device testing, performance-conscious implementation

**SEO & Analytics:** On-page SEO, metadata, Open Graph, structured data, sitemaps, Google Analytics, Search Console, Meta Pixel

**Delivery & Tools:** Git, GitHub, Netlify, Cloudflare, Supabase, Wix, Google Workspace, Apps Script, Canva

### SELECTED WEB DEVELOPMENT PROJECTS

**Avodah Wealth Advisory** | HTML, CSS, JavaScript, GitHub, Netlify

[avodahwealthadvisory.netlify.app](https://avodahwealthadvisory.netlify.app)

- Designed and built a responsive multi-page business website with service pages, audience-specific pathways, clear navigation, and a consistent visual system.
- Created needs-check and consultation journeys, inquiry forms, trust content, FAQs, privacy/terms/disclaimer pages, and conversion-focused calls to action.
- Managed GitHub version control, Netlify deployment, production QA, ongoing updates, and supporting analytics.

**JC Professional Portfolio** | Astro, HTML, CSS, JavaScript, GitHub, Cloudflare

[portfolio.jcpelotea.workers.dev](https://portfolio.jcpelotea.workers.dev)

- Built and maintain a component-based Astro portfolio with reusable layouts, responsive case studies, navigation, lightbox interactions, and mobile UI refinements.
- Implemented accessibility-conscious interaction behavior, SEO/social metadata, structured data, sitemap support, and automated checks for links, images, and schema.

**OpenReady** | Astro, JavaScript, GitHub, Netlify

[getopenready.netlify.app](https://getopenready.netlify.app)

- Helped structure a public repository-health assessment product, guided user experience, roadmap/release documentation, GitHub workflow, and static Netlify deployment.

### PROFESSIONAL EXPERIENCE

**Avodah Wealth Advisory** | Business Operations & Executive Assistant - Operations

June 2026 - August 2026

- Supported business operations, executive coordination, CRM/client workflows, dashboards, documentation, website operations, and digital marketing activities.
- Applied structured QA, workflow coordination, and documentation practices across digital and operational work.

**KRISS.AI** | Outreach Specialist & Co-Team Leader - Part-time

2025

- Coordinated prospect outreach, lead follow-up, team execution, and AI-solution positioning for healthcare organizations.

**Earlier Experience:** Teleperformance - Customer Service Representative (2023); Concentrix - Customer Service Representative (2022); Philippine Army Reserve Command - Documentation & Communication Officer (2022); Barangay Tagabaca - Sangguniang Kabataan Chairman (2018-2021).

### ADDITIONAL DIGITAL WORK & CREDENTIALS

**ICE Zeta Group:** Website support, Wix, brand systems, recruitment messaging, and repeatable digital content systems.

**EF SET English Certificate - C1 Advanced** | 65/100 | October 2025

**Graphic Design - Alison** | 90% assessment score | February 2024
