

JOSHUA CARL PELOTEA

Business Operations & Executive Support

Butuan City, Philippines · peloteajoshuacarl0@gmail.com | [Portfolio](#) · [LinkedIn](#) · [GitHub](#)

PROFESSIONAL SUMMARY

Business operations and executive support professional with experience in administrative coordination, customer service, workflow documentation, recruitment tracking, and digital operations. Paid freelance and client projects undertaken intermittently since 2018. Brings a practical approach to organizing information, coordinating priorities, and supporting reliable follow-through, using productivity tools and AI-assisted workflows.

CORE SKILLS

Executive and administrative support · Task and project coordination · SOPs and process documentation · CRM records and recruitment tracking · Client communication and customer service · Spreadsheet organization and reporting · Workflow improvement · AI-assisted research · Website administration

PROFESSIONAL EXPERIENCE

Avodah Wealth Advisory — Business Operations & Executive Assistant June 2026 – August 2026

- Supported executive coordination, business operations, CRM/client workflows, and documentation.
- Organized dashboards, trackers, and recurring workflows to support day-to-day coordination.
- Directed and reviewed AI-assisted website implementation and supported maintenance, digital marketing, and process improvements.

KRISS.AI — Outreach Specialist & Co-Team Leader, Part-time August – December 2025

- Conducted prospect outreach and follow-up to introduce and promote KRISS.AI.
- Explained the product's features and potential uses to prospects and supported ongoing communication.

Teleperformance — Customer Service Representative, Full-time January – October 2023

- Provided phone-based customer support through inbound and outbound calls.
- Handled customer inquiries, maintained CRM records, and supported issue resolution and follow-up.

Concentrix — Customer Service Representative, Full-time September – December 2022

- Handled outbound customer calls for renewals and account updates.
- Coordinated internally to support customer requests and follow-up.

RESERVIST SERVICE

Philippine Army Reserve Command — Documentation & Communication Officer

January – July 2022 · Full-time reservist/military service

- Supported reports, records, scheduling, and internal communication.

COMMUNITY LEADERSHIP

Barangay Tagabaca — Sangguniang Kabataan Chairman 2018 – 2021

- Coordinated community projects, events, documentation, budgeting, and stakeholder communication.

TOOLS & TECHNICAL DELIVERY

Technical delivery combines my direction and review with AI-generated code, configuration, and selected checks. I independently handle form-submission testing, GA4 events and consent settings, and SEO/analytics verification; other review and testing responsibilities vary by task.

Operations and productivity: Google Workspace, Google Sheets, Microsoft Office, ClickUp, Canva, ChatGPT, Google Gemini

Web and digital: HTML, CSS, JavaScript, Astro, Git/GitHub, Netlify, Cloudflare Workers/Pages, GitHub Actions, Netlify Forms, SEO/metadata, GA4

EDUCATION

Agusan Business and Arts Foundation Inc. — High School, Old Curriculum; completed 2015

Saint Joseph Institute of Technology — Civil Engineering; attended 2015–2016, degree not completed

SELECTED CERTIFICATIONS & TRAINING
